

Summer Science Series – June 16, 2009

Paper Discovery Center

HOME OF THE PAPER INDUSTRY INTERNATIONAL HALL OF FAME

**Expanding, changing shape
with forces**

Chopping wood held in place with paper!

Lifting cups without touching them

Balancing Bird

Levitating a ball with Bernoulli's Principle

Spinning Fun

**Hydraulics...
Incompressible
Liquids....**

**Family Fun, Cherished
Memories...**

Hand made pinwheels
