

Project Learning Tree and LEAF team up to offer this unique opportunity.

Eager to teach your students the critical thinking skills they need using a topic that relates to the world right outside their door?

Here's your chance to get the award winning Project Learning Tree PreK-8 Activity Guide AND Wisconsin's own LEAF lesson guide in one workshop. If you are interested in helping K-12 students understand the incredible value of forests, this classroom-based workshop is for you. The workshop teaches key principles, activities, and techniques to easily integrate environmental education into your classroom.

You will receive the Project Learning Tree PreK-8 Activity Guide and a grade-specific unit of the LEAF Wisconsin K-12 Forestry Lesson guide, along with LEAF's Wildland Fire and Urban Forest lesson guides.
