

Planning Your Visit— Reserving Your Spot

Reservations

Advance registration is required. Call 920-380-7491 early to reserve your date and time.

Time Allotment

Field trips can be expected to take approximately 2 hours. 9:00 am—11:00 am and 12:30 pm—2:30 pm are our recommended time slots but these can be adjusted to suit your group.

Rates and Chaperones

Field trip rates are \$3.00 per student, with a \$45 minimum charge for smaller groups. Chaperones are free with a required ratio. Additional chaperones are \$3.00 per person. The driver of the bus receives complimentary admission.

All members of the group should pay with a single payment. Payment is due at check-in, and may be made in cash, check (payable to Paper Discovery Center), or credit card (Visa or MasterCard). Groups are charged based on the confirmed reservation.

Cancellations must be made at least 2 days prior to your scheduled visit. You will be billed for the full amount of the confirmed reservation with less than 48 hours notice of cancellation.

We offer a space for lunch for an additional \$25. Please reserve space when making reservations.

Hear what others have to say about their field trip

“It is a wonderful complement to our kindergarten science curriculum involving trees, wood and paper.”

Houdini Kindergarten teacher, AASD

“We love that you plan everything, taking our curriculum into consideration. The students loved the field trip and learned a lot.” *Clayton Elementary – 2nd Grade teacher*

“The variety of the activities really kept the students actively involved. The students also reviewed the materials that we had learned in 5th grade. They extended and applied their knowledge.” *Weyauwega Elementary – 5th grade teacher*

Weyauwega Elementary – 5th grade teacher

“It was good to hear from an industry representative explaining exactly how they use recycled paper and the real life challenges they face in their market... The hands-on papermaking experiment was especially rewarding to me... The material fit perfectly with my curriculum.” *College of the Menominee Nation, Sustainability Program*

What to expect

A field trip to the Paper Discovery Center integrates science, art, and history with an inspiring and relevant industry example that is strongly connected to Wisconsin's heritage. The Paper Discovery Center is housed within an historic paper mill overlooking the Fox River.

More information can be found on our website, www.PaperDiscoveryCenter.org under "teachers" menu option. Field trip selections and curriculum connections for K-12 are identified there in more detail.

Customized Field Trip

After orientation and an introductory video to papermaking, every group will have two staff led activities as well as a self-guided rotation.

Papermaking

Every group will make paper by hand and learn the same basic processes that are scaled up in a paper machine. A favorite for all ages! Papermaking experience will vary with age and group size.

Hands-on Activities

Visit our website under "Teachers" menu option for suggested activities for your grade level. We offer a range of topics that will fit into your grade level standards. Teachers choose the activity that best suits your group's needs.

Self-Guided Rotation

Students will get a chance to explore the museum while participating in hands-on activities, crafts or games. Activities will change depending on grade level. Chaperones and teachers are expected to assist in the self-guided rotation.

Our staff will suggest age appropriate packages to fit your curriculum
