PDC Educational Opportunities

Dear Kathleen,

Welcome to the 2014-15 school year. As you plan your activities for the school year, please remember the Paper Discovery Center as a fun, educationally enriching experience for your students. We continue to offer STEM focused field trip activities for your students and want to work with you to insure that our programs match your curriculum and your needs. For more information please visit our Educators page on the Paper Discovery Center website: [Teacher's Page](#).

For more information, or to book your field trip, call: (920) 380-7491.

**Come and be our guest at the Paper Hall of Fame
Induction Celebration
October 9, 2014 - 5:30 pm**

We invite teachers to be our guests at the annual Paper Industry International Hall of Fame Induction Celebration. So much of the history of the Fox Cities is tied to the paper industry. Many of the early pioneers and leaders who built this area have ties to the Paper Industry. Come and learn more about our local legacy.

This year, our Induction program will be on Thursday, October 9, starting at 5:30 pm. Six new inductees will be honored. Please join us as we honor the men and women who have made pre-eminent contributions to the paper industry, world-wide through their innovations, inventions, research and leadership. For more information about this year's program [Hall of Fame Dinner](#).

Please call (920) 380-7491 or email [Kathleen](#) to reserve your place.

New Exhibit at the PDC - Papyrus, Ancestor of Paper

September through November

The Paper Discovery Center presents a new exhibit, **Papyrus: Paper's Ancestor**. Visitors can explore the fascinating history of ancient Egypt through papyrus, the material on which Egyptians recorded their lives. Get a closer look at papyrus samples, write your name in hieroglyphic symbols, and learn how papyrus was brought back to Egypt in the 1960s.

On view September 5th through November 29th, with the regular price of admission.
