

Season's Greetings!

*Wishing you a
Happy Holiday Season!*

Get into the spirit of the season at the Paper Discovery Center. We've got holiday crafts, decorations, and a giant tree covered in origami ornaments. Make a special Holiday Card with handmade paper. Come

see us soon!

WE NEED YOUR SUPPORT!

In 2015 we will be celebrating ten years since the Paper Discovery Center opened its doors. Since that time we have drawn nearly 75,000 national and international visitors of all ages making it truly "the paper center of the world". Since 2005, the Paper Discovery Center has become an important and sought after educational resource for Wisconsin and beyond. The science and technology museum's programs and exhibits demonstrating the significance of the paper industry, its impact on mankind, and its proud history of innovation and invention continue to grow and offer outstanding learning opportunities for everyone.

On October 9th, the Paper Industry International Hall of Fame celebrated its 20th Induction Ceremony by welcoming six new members thereby bringing the number of outstanding honorees to 123 remarkable individuals from 15 nations whose significant contributions to the rise of the paper industry will never be forgotten. This year this annual prestigious event attracted nearly 400 guests, the largest number of participants in years.

In order to help us commemorate these two landmark occasions our generous Board of Directors has offered to match all new and increased gifts. Please join us today in "Celebrating All Things Paper" by making a generous gift. Your gift will be used wisely and well to assure that both the Paper Industry International Hall of Fame and the Paper Discovery Center continue to honor and preserve the past, educate for the present, and provide a legacy for the future.
