HOME OF THE PAPER INDUSTRY INTERNATIONAL HALL OF FAME

Open Monday through Saturday | 10 am - 4 pm | Adults \$5 | Seniors \$4 | Students \$3 | Family \$12

Eight Weeks of Summer Science Fun at the PDC

Summer Science Fun June 15 - August 15

With a grant from SCA Americas, the Paper Discovery Center is pleased to present eight weeks of summer science fun. Free with the price of admission, there will be exhibits and hands-on activities to explore four fun science topics over eight weeks. Learn about the Science of You, Science at the Beach, Math Magic and Electricity. Fun for all ages.

The Science of You June 15 - June 27

Taste, touch and smell your way through science in a fun, interactive way for the whole family. On a scale from people-sized to nano-sized, learn about the ways your body connects you to the world around you.

Science at the Beach July 6 - July 18

Is it too hot and humid outside to go to the beach? Not at the Paper Discovery Center! Come and learn about the physical and nano-scale science behind all your favorite beach activities. No swimsuit required.

Math Magic July 20 - August 1

Come and see how much fun math can be. Learn math tricks, solve puzzles and study geometry with tangrams, origami and soap bubbles.

Electric Science August 3 - August 15

Explore electricity, and all the technology and the science behind it all! From science you can see to the science you can't see, have fun interacting with things that buzz and light up with your whole family.

Summer Preview

Dear Kathleen,

We will have lots of hands-on activities and fun at the Paper Discovery Center this summer.

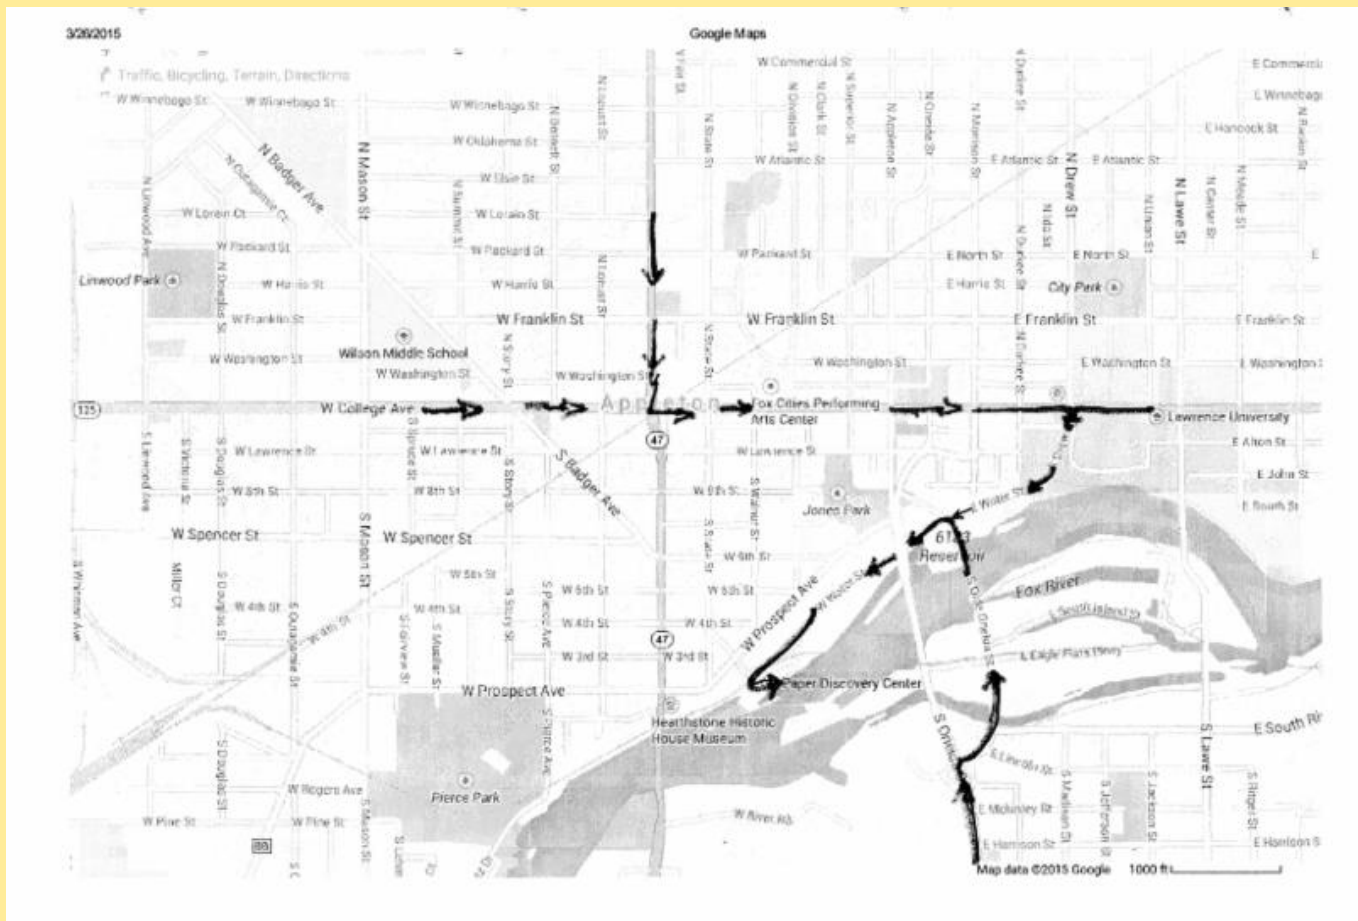

SCA has again generously sponsored our Summer Science Series. We will have eight weeks of summer science activities to engage the young and playful scientist in each of us. Please join us.

Eight weeks - four topics - June 15 - August 15. And of course, every visit includes making paper in our Paper Lab!

Throughout May, we also have several interesting activities and promotions. Please see information on the **Giving Hope Campaign** sponsored by Appleton Downtown businesses, **Wisconsin Museums Week**, and the **Fox Cities Greenways Happy Trails Event**.

In June, the Paper Industry International Hall of Fame will have our first **Report to the Community** - providing a summary of 2014 in our Annual Report and offering a glimpse of the many accomplishments during the first ten years of Paper Discovery Center wonder and legacy. We hope you will join us!

Detour alert - we have road construction!

Jackman Street and Prospect Avenue will be closed throughout the summer for removal and replacement of the Jackman Street overhead on Prospect Avenue. It is anticipated that this construction will be completed in late August.

As part of a separate construction project, Prospect Avenue will be closed at South Oneida Street and no access will be allowed to or from South Oneida (Skyline Bridge). It is anticipated that this construction will be completed in October.

Access to W. Water Street to the Atlas Mill Building and Fratellos restaurant will be available via Olde Oneida Street, and Drew Street to E. Water Street.

- *If you are coming to the Paper Discovery Center from the south, take Oneida Street north to Olde Oneida Street. Follow Olde Oneida Street across the river to Water Street. Turn left at the stop sign, and proceed to the Atlas Mill Building*
- *If you are approaching from the east, west or north, take College Avenue to Drew Street. Turn down the hill on Drew Street (south). Drew Street becomes E. Water Street at the curve by the Lawrence University tennis courts. Stay on Water Street until you see the Atlas Mill building on the left.*

We are sorry for the inconvenience. We appreciate your patience. [Printable Directions](#)

May Events and Activities

Museums Week

Giving Hope

Support Downtown Appleton

May 1-9, 2015 as the Downtown Appleton businesses support Cancer Patient Support and Research through the American Cancer Society and the Sole Burner 5K.

Look for businesses with cancer ribbons and signs to let you know that they support this fantastic event. These businesses have agreed to either give a percent of their net proceeds from that week or an outright donation to the American Cancer Society in honor of their Moms and all the Moms in the Fox Cities. While you are Downtown, register to win a \$100 gift certificate!

The **Paper Discovery Center** will be donating 100% of proceeds from hand-made paper flowers & cards plus 10% of proceeds from papermaking kits!

For the 11th consecutive year, the Wisconsin Federation of Museums is sponsoring Wisconsin Museums Week, **May 17-23** in conjunction with International Museum Day May 18. This week-long celebration focuses on the work and positive impact museums have on our communities.

This year's theme is "**Museums for a Sustainable Society.**" To commemorate this week, museums throughout the state will host special exhibits, contests, workshops, lectures, performances and tours.

Celebrate Museums Week at the **Paper Discovery Center** when you

- **Recycle paper into art.**
Do you have old newspapers, junk mail, old homework? We will help you transform it into a beautiful new piece of paper!
- Learn how the paper industry practices **sustainable forestry** and get a closer look at a dozen different **Wisconsin trees** in our Outdoor Learning Center
- Go on an outdoor scavenger hunt through neighboring **Vulcan Heritage Park** and discover some of **Appleton's unique history.**

Summer Events and Activities

The Paper Discovery Center has joined the Blue Star Museum program. By offering active military members and their families free admission to the Paper Discovery Center we are able to show our support for members of the military who are serving our country. This program runs from Memorial Day to Labor Day.

SAVE THE DATE
JUNE 17, 2015
7:45 am

Please join us for the first annual Paper Industry International Hall of Fame report to the Community. We want to share with the community our accomplishments during the first ten years of operations for the Paper Discovery Center.

A continental breakfast will precede the program. Doors open at 7:30 am. Please R.S.V.P. by June 12, 2015 to Kathleen or by calling (920) 380-7491.

8 a.m. Bike • 10 a.m. Run/Walk • Telulah Park, Appleton
Join Fox Cities Greenways and its sponsoring partners for a family fun run/walk or bike ride along the Fox River in Appleton, Kimberly and Little Chute.
REGISTER TODAY Visit foxcitiesgreenways.org or active.com
Event day registration 7:30-10 a.m.

The Fox Cities Greenways Happy Trails event will take place May 30th at Telulah Park in Appleton. It is a family-fun walk/run/bike along the Fox River in Appleton, Kimberly and Little Chute.

In its fifth year, the Happy Trails event sponsored by Scheels, draws over 200 participants and is a fundraiser for Fox Cities Greenways. The event runs from 8am until 1pm.
