2015 - 2016 Programs for Girl Scout Juniors

Get Moving! Journey

Junior Girl Scouts can work on the Get Moving journey through hands-on activities at the Paper Discovery Center.

- Explore different types of energy and how it is used in papermaking
- Make recycled paper
- Make beads from recycled paper and create a unique piece of jewelry with the beads
- Explore the energy efficiency of different types of light bulbs and then make an old fashioned silhouette to keep.
- Learn more about our historic building and ask questions!
