

Celebrating
Innovators

Experiencing
Technology

Your membership supports the Paper Discovery Center's ability to bring the science and history of paper and the contributions of the paper industry to the Fox Valley. The PDC strives to provide thought-provoking, ever-changing exhibits; to ignite curiosity and creativity with hands-on activities; and to engage the minds and imaginations of all generations.

We are located in the historic Atlas Mill, situated on the banks of the Fox River; celebrate its history while taking in the beauty of our location.
